

Award Criteria	<p>This is a Branch based award with one national winner</p> <p>Applicants will be judged against the following criteria:</p> <ul style="list-style-type: none"> • Long service in the industry and as an IQA member • Service to the IQA through sub-branch, branch, committee, board and Council membership • Senior positions in the IQA such as Vice-President or President • Influential positions in the industry • Representation of the industry on industry and public bodies • Leadership in the IQA and industry • Exemplifying the highest example of the professional standards and values of the IQA <p>List below the achievements of the nominee relevant to the criteria in summary point form</p>
1.	<p>Long service in the industry and as an IQA member</p> <p>Tony spent most of his career (almost 32 years) with Boral Construction Materials and in that time spent 12 years in senior managerial positions for both the Quarrying and Concrete divisions of the company.</p> <p>After leaving Boral he then joined the SA Government's Department of State Development as Manager E.A.R.F & Mine Completion</p> <p>Tony has been an active member of the IQA since 1982</p>
2	<p>Service to the IQA through sub-branch, branch, committee, board and Council membership</p> <p>Tony has held all the key positions within the South Australian committee and was instrumental in the ongoing development of the South Australian branch having both held the branch Chairman and Secretariat positions for many years as well as being instrumental in the organization of National IQA conferences held here in SA</p>

3.	<p>Influential positions in the industry & Representation of the industry on industry and public bodies</p> <p>Tony has a very comprehensive understanding of the quarrying and pre-mixed concrete industry and with his proactive involvement with both the IQA and CCAA he has continually strived to ensure that the regulations reflect reality that is workable within the industry and that the industry is promoted in all aspects of safety, environment and productivity.</p> <p>Tony's new role as SA as Manager E.A.R.F & Mine Completion for the Department of State Development sees him now working in the public sector in an advisory capacity to quarry operators.</p>
4.	<p>Leadership in the IQA and industry</p> <p>Tony has mentored and encouraged many of the current members of the IQA – to ensure that the SA branch remains a strong and vibrant part of the quarry industry.</p>
5.	<p>Exemplifying the highest example of the professional standards and values of the IQA</p> <p>Tony is a very committed and passionate person both within and out of the Industry and is well respected and highly regarded by his peers, colleagues and fellow “quarrymen” and has been a captain of industry in South Australia. He continues to be a strong advocate for joining the IQA and promotes the benefits of participation in its activities, Technical Seminars and educational programs.</p>
