

1.	<p>David has been an active member of the IQA, at sub-branch, branch and national levels, since October 1994.</p> <p>He served on the NSW Branch for several years before becoming its Deputy Chair in 1998 and 1999 and Chairman in 2000 and 2001. Following his time as Branch Chairman he continued to serve on the committee for several years until it was restructured with the formation of the Sydney Region Sub-branch.</p> <p>From the start of his tenure as Chair of the NSW Branch until the present David has served as a member of the IQA Advisory Council.</p> <p>From 2002 until 2007 David served as a Vice-President of the IQA, then in 2008 and 2009 he was the IQA Deputy President, before serving for two years as the president of the IQA.</p> <p>David was a member of the IQA Board from its inception until 2013.</p> <p>He has served on the organising committee for one or two national conferences.</p> <p>He has been a member of the AIQEF Council since 2010 and was elected as Chairman of that Council in 2015, a role he continues to hold.</p>
2	<p>David has worked in the construction materials industry, particularly in quarries and premixed concrete, for many years. During this time he has worked for Pioneer/Hanson, Metromix, Rocla Quarry Products and Hy-Tec.</p> <p>With these companies he has served in a range of positions including General Manager of Metromix, Rocla Quarry Products and Hy-Tec</p> <p>He has and continues to represent his company and the aggregates industry as a member of a range of committees with the Cement Concrete and Aggregates Association.</p>
3.	<p>I have served with David on the IQA Advisory Council, NSW Branch Committee and AIQEF Council over a period of approximately 20 years.</p> <p>During that time I have always found him to be an enthusiastic supporter of the IQA and highly professional, with a strong commitment to the role and purpose of the Institute.</p> <p>In his various roles in industry and the Institute he has provided a high standard of leadership and exhibited the highest standards and values of the Institute.</p>
