

IQA Privacy Policy

The IQA is concerned with the protection of your privacy. We support the Privacy Principles contained in the Privacy Act 1988 (Cth), as amended.

The IQA collects and stores your personal information for the purposes of providing membership services, education programs, and improving and promoting products, including publication of photographs and other images taken at IQA events and workshops.

The IQA may distribute a delegate list in any correspondence relating to an event or workshop. Should you not wish to have your name and company name included in the delegates list, please email us at admin@quarry.com.au
