IQA MEMBERSHIP DETAILS

Please indicate which membership grade you are applying for (Please tick one box only)

MEMBER GRADE	SELECT
<p>FELLOW (FIQ) Fellows are the leaders and senior managers of our industry, recognised for their contribution, expertise and achievements. IQA Fellows are an exclusive group of seasoned professionals with significant industry acumen and experience. IQA Fellows uphold industry standards and demonstrate leadership by supporting the IQA and industry networks and espousing professional development and lifelong learning. A Fellow can be recognised from within a quarrying business or as a supplier to the extractive industry.</p>	<p><i>If you are applying to become a Fellow, please complete the Fellow Upgrade Form</i></p>
<p>MEMBER (MIQ) Members are those working in management, senior supervisory or specialist roles in the industry. They will have a high level of practical experience, including in a position of responsible charge. Ideally a member will hold a minimum of a Diploma (or the equivalent industry experience). A Member can be recognised from within a quarrying business or a supplier to the extractive industry. The IQA automatically recognises any Quarry Manager with the statutory right to practice in their state as a Member.</p>	<p><input type="checkbox"/></p>

MEMBER GRADE	SELECT
TECHNICAL MEMBER (TMIQ) Technical members work in a technical role that relates to the direct operation, or supporting operations, of the extractive industry. A Technical Member can be a direct employee in a quarry, a supplier or contractor. Ideally, a Technical Member will hold a minimum qualification of a Certificate IV in a relevant field, or the equivalent industry experience.	<input type="checkbox"/>
ASSOCIATE MEMBER (AIQ) Associate Members generally work in support services roles such as sales, business development, human resources, finance or marketing. Associate Members may also include individuals who are new to the industry and just starting their careers in technical roles (less than 1 years' experience). Associate Members can be employed by suppliers or contractors to the extractive industry or with industry operators.	<input type="checkbox"/>
STUDENT MEMBER (SIQ) Student Members are currently studying for a certificate, diploma or degree directly related to the extractive industry and are generally not yet working in the industry. A person working part-time in industry while studying may also be considered as a Student Member. Any trainee or apprentice who is working full or part-time while completing their studies will also be recognized as a Student Member.	<input type="checkbox"/>
OPERATOR (OMIQ) Operators are directly responsible for the operation of plant and equipment within the quarry. For the purposes of IQA membership, Operator does not refer to an owner of a quarry, a person leasing a quarry or the person(s) responsible for the day-to-day operations at a quarry.	<input type="checkbox"/>
