IQA MEMBERSHIP DETAILS

What grade of membership are you applying to (tick one box only)?

MEMBER GRADE	TICK BOX
<p>Fellow** (FIQ) Fellows are the leaders and senior managers of our industry, recognised for their contributions, expertise and achievements. IQA Fellows are an exclusive group of seasoned professionals with significant industry acumen and experience. IQA Fellows uphold industry standards and demonstrate leadership by supporting the IQA and industry networks and espousing professional development and lifelong learning. A Fellow can be recognised from within a quarrying business or a supplier to the extractive industry. <i>**If applying for the grade of Fellow, all formal qualifications must be provided with this application.</i></p>	
<p>Member (MIQ) Members are those people working in management, senior supervisory or specialist roles in the industry. They will have a high level of practical experience within the industry, including in a position of responsible charge. Ideally a member will hold a minimum of a Diploma (or the equivalent industry experience). A Member can be recognised from within a quarrying business or a supplier to the extractive industry. The IQA automatically recognises any Quarry Manager with the statutory right to practice in their state as a Member.</p>	
<p>Technical Member (TMIQ) Technical Members are those people working in a technical role that relates to the direct operation, or supporting operations, of the extractive industry. A Technical Member can be a direct employee in a quarry, a supplier or contractor. Ideally, a Technical Member will hold a minimum of a Certificate IV in a relevant field (or the equivalent industry experience).</p>	
<p>Associate Member (AIQ) Associate Members are generally those people working in support services roles such as sales, business development, human resources, finance or marketing. Associate Members will may also include individuals who are new to the industry and just starting their careers in technical roles (less than 1 year's experience). Associate Members will be from suppliers or contractors supporting the extractive industry as well as those employed by quarry operators.</p>	
<p>Student Member (SIQ) Student Members are those members who are engaged in studying certificate, diploma or degree directly related to the extractive industry and are generally not yet working in the industry. A person working part-time in the industry while studying may be considered a Student Member. Any trainee or apprentice who is working full or part time while completing their study will be recognised as Student Member.</p>	
<p>Operator (OMIQ) Operators are those people directly responsible for the operation of plant and equipment within the quarry. For the purposes of IQA membership operator does not refer to an owner of a quarry, a person leasing a quarry or the person(s) responsible for the day to day operations at a quarry.</p>	

MEMBERSHIP DETAILS

*Please provide the appropriate evidence for the grade for which you are applying
